### PBO list of election commitments provided to the ALP

**Parliament of Australia**  
**Parliamentary Budget Office**

Phil Bowen PSM FCPA  
Parliamentary Budget Officer

The Hon Chris Bowen MP  
Acting Leader  
Australian Labor Party  
Parliament House  
CANBERRA ACT 2600

Dear Mr Bowen

Thank you for the list of election commitments provided by the Australian Labor Party (ALP) to the Parliamentary Budget Office (PBO) on 6 September 2013. This list was posted on the PBO website on the day after polling day.

In accordance with Section 64MA of the *Parliamentary Service Act 1999* (the Act), I am providing you with a list of the ALP's publicly announced policies that, in my best professional judgement, would have a material impact on the Commonwealth budget. I propose to include this list of ALP election commitments in the post-election report on election commitments.

The attached list has been prepared having regard to the information provided by the ALP and public announcements made by the ALP before and during the caretaker period for the 2013 general election. I have not identified any election commitments additional to the list of commitments already provided by the ALP. Hence the attached list is identical to the list provided to me by the ALP on 6 September 2013.

Consistent with subsection 64MA(8) of the Act, I would appreciate receiving any comments that you may have on the attached list within three days of receipt of this correspondence.

Under Section 64MAA of the Act the post-election report must include any comments that you provide to me. If you do not provide me with any comments, the post-election report must include a statement to this effect.

Yours sincerely

Phil Bowen  
20 September 2013
